ACTION REQUIRED - REFERENCES

25X1A6a Ref: [REDACTED]

25X1A2g

1. As indicated by the reference, the return of [REDACTED] equipment to stock has been completed. This equipment was T and I'd and placed in C-1 condition prior to being shipped so it should be ready for service if needed elsewhere.

2. The original plan to convert a few of the RS-700's back to ASR-100's was cancelled as the technical workload for the area precluded devotion of time to this project.
